

Eco-Grip Training Center Fee Schedule

New customers of Allied Industries International, Inc. are required to undergo official training at the Eco-Grip Training Center located in Charlotte, NC. Our training is geared towards intermediate to advanced installers with at least one year of experience installing commercial vinyl flooring and working knowledge of cutting and lay out. Installation training is necessary to become a certified Eco-Grip Flooring installer and most importantly, to achieve the level of expertise necessary to succeed in the field. Upon completion of the training session a certificate for completing the course of study in Eco-Grip Installation will be awarded.

2 Day Training Session:

- ◆ \$250.00 per person, paid in advance
- ◆ Airfare/Transportation to be purchased by customer
- ◆ Hotel/Accommodations provided by Eco-Grip.
- ◆ A catered lunch will be provided to trainees during both days of training.

It is important that trainees arrive the night before to participate in a full 2 - day training session. Training begins at 9 am and trainees are dismissed at 4:30 pm. It is best to schedule out-bound flights after 6 pm to allow ample time for airport check-in procedures.

Items you will need to bring with you:

- ◆ Hand tools and Knives: Regular Razor Knife & #6 airway Hook Knife
- ◆ Knee pads
- ◆ Tape Measure
- ◆ Sharpie Marker (preferably black)
